Allah burdens not a person beyond his scope. He gets reward for that (good) which he has earned, and he is punished for that (evil) which he has earned. "Oh Allah! Punish us not if we forget or fall into error, Oh Allah! Lay not on us a burden like that which You did lay on those before us; Oh Allah! Put not on us a burden greater than we have strength to bear. Pardon us and grant us Forgiveness. Have mercy on us. You are our Maula (Patron, Supporter and Protector, etc.) and give us victory over the disbelieving people."
